

ACKNOWLEDGEMENTS

This is one of the greatest and most pleasant experience of my life till now. No matter I faced a series of mishap during the period of my project. Apart from all of these, with the incessant help of my guide **Dr. G. Kumaravelan** and friends, I have done it by own. From the dawn to end I must make thanks to God, which couldn't be a bit move without the God's grace. And, I would like to pay all of my devotion and determination to the almighty god that never laid me astray from the path.

I am highly in depth to **Dr. G. Kumaravelan, M. Sc.,M.Phil., M. Tech.** for his guidance and constant supervision as well as for providing necessary information regarding the project and also for their support in completing the project.

I am deeply in depth to **Dr. G. Kumaravelan**, Head of The Department of Computer Science, for his valuable support and encouragement leading to successful completion of my report. I would like to express my gratitude towards to all the faculty members of Department -of Computer Science, Pondicherry University, Karaikal Campus for their kind corporation and encouragement helped me in completion of this project.

My thanks and appreciation also go my colleague in developing the project and people who have willingly helped me out with their abilities. I also acknowledged their ideas in building of this project. My parents always stand with me and sail through me all my hard times and I am always grateful of parents who blessed me when I am need.
